荆门行 (曹方)

2011 年前后，我去湖北荆门工作了一年半，游历了荆门的山山水水。荆门地处江汉平原和山区的交界。城西不远处，有个漳河水库，那里山清水秀，风景秀丽。夏天，它是游泳和垂钓的好去处。我和朋友们在漳河游玩时留下这张照片。在金龙非织造布公司工作期间，我与那里的员工结下深厚的友谊。分别之时，大家都恋恋不舍，我赋诗一首<荆门行>，聊表离别的心情。荆门经历和友谊使我的生活又多了一分欢乐，一份色彩。时至今日，我还和他们保持着联系。回到美国后将<荆门行>晒给裴克看, 裴克为它谱曲并演唱。为了与大家分享, 我把这首歌贴到文学城,"想唱就唱" 坛. 坛里的朋友对它的评价非常好。如果你有兴趣, 请通过连接: http://bbs.wenxuecity.com/ktv/1294781.html 来鉴赏一下, 希望你也喜欢。

2. 感恩是一种处世哲学，也是生活中的大智慧。一个智慧的人，不应该为自己没有的斤斤计较，也不应该一味索取和使自己的私欲膨胀。学会感恩，为自己已有的而感恩，感谢生活给你的赠予。这样你才会有一个积极的人生观，总有健康的心态。
3. 感恩是你对一个没有关系或者关系不够亲密的人给予你帮助所产生的一种亏欠心理

Time Herald Record 當時報道了中國月活动的专栏新聞, 现转摘几段以飨读者。(Extracted from An article in The Time Herald-Record August 17, 1994)

.....In less than a minute, using a special pair of Chinese free-hand paper cutting scissors, a street peddler in Hong Kong can design and cutout the shape of a person's face from a piece of paper.
The scissors, with large almost circular handles, and small, pointed blades, allow the artist to work with speed and accuracy, said a member of the Orange County Chinese Association....
...laying next other Chinese utensils in a display case at the 1841 Courthouse.... They're simple, but they've been used for hundreds of years. The utensils, which included chopsticks and a straight- handled ladle, lay alongside ancient Chinese writings, pieces of delicate porcelain, and intricate ivory carvings in the courthouse's center hallway, part of a celebration of Chinese culture.
The display. which began Aug.3, was organized by the Orange County Chinese Association, whose members contributed their own art works, writings, musical instruments and pieces of silk clothing to the exhibit...

橙郡政府歷史局于 1994 年在 Goshen Historic 1841 Court House 舉行了中國月活动。

歷史局时任執事 Mr. Ted Sly 邀請橙郡華人協會主持为期一個月的文物展出和为期一天特别節目表演。表演的節目包括有邱偉民會長有关橙郡華人協會及中文學校介绍; 高厚永教授的書畫及音樂演講與示範; 陳醫生的中國醫學; David 張的醬油製造; 何師傅的氣功與靜座; 蔡菊珍的雜技表演 和中文學校學生歌唱舞蹈表演等。 中國月活动获得极大的成功. 本期特提供一些照片及报道摘要来纪录当年的盛况。

..at a showcase holding two of China's most famous books. "Three Kingdoms." and "Outlaws or the Marsh."
If you ask any Chinese about these books, they probably have read them or know the stories,
The first is a book on battles and cunning strategies of warfare, the foremost work of semi fictional history of China. It contains stories of kings, courtiers, peasants, sorcerers and scholars. Dominant themes of the book, include loyalty and social obligations on a dynastic scale.
... It's a must read for members of the country's military. You won't be a good general, if you haven't read Three Kingdoms at least three times....
.... Chinese history, which has been recorded for 4,692 years. The Chinese people are very proud of the Han dynasty, which began in 202 B C'. and ended in 220 A.D., it was then that Buddhism was introduced, and the first dictionary and encyclopedic histories were compiled. Writing became standardized, and the manufacture of porcelain began.

.... The production or silk was begun by the Chinese as early as the third millennium B.C. The source of the silk, the silkworm feeding from the mulberry tree, was kept secret for nearly 1,000 years. And, according to legend, the Chinese allowed the exportation of raw silk, but the export of the silkworm's eggs was punished by death. Eventually, the secret of making silk was taken out of the country by two Chinese prisoners, as they returned to their own country.
Orange County Historian Theodore Sly said the exhibit was of great value to the county. "In Orange County, we have so many ethnic groups that contribute to our cultural mix," he said. "As county historian, I am so pleased they (the association) are bringing this forth and sharing this rich heritage."
